INTEGRATED ANNUAL REPORT

TSC Ltd

Annual Report 2025

For the financial year ended 31 March 2025

All amounts in Rs. crore unless stated otherwise

This is a sample document created for the FinScore PDF demonstration. The company and every figure in it are fictional and illustrative. It is not an investment recommendation.

Financial highlights

Rs. in crore, financial year ended 31 March

Key figure	FY 2025	FY 2024
Turnover	5,590	5,200
PAT	408	338
Net worth	2,400	2,150
Borrowings	1,920	1,810
Cash from operations	388	330

Directors' commentary

The company grew turnover steadily during the year while keeping borrowings at a manageable level compared with shareholders' funds. Profit after tax improved, supported by better operating margins.

Cash generated from operations remained positive and close to the year's profit, reflecting disciplined working capital management during a period of capacity expansion.

The audited financial statements follow on the next pages: the balance sheet, the statement of profit and loss, and the cash flow statement.

Notes and basis of preparation

About this document

This sample annual report was prepared to let students test FinScore PDF end to end. It contains a balance sheet, a statement of profit and loss and a cash flow statement in a clear, text-based layout.

Values FinScore PDF reads

Shareholders' equity and net profit (for return on equity), total borrowings (for debt-to-equity), net cash from operating activities, and revenue from operations for the current and previous year (for revenue growth).

Important

The company, its figures and all statements are fictional. This document is not an investment recommendation and does not describe any real company. Always verify real figures against the original annual report.
